

Blood Transfusion Policy
TRPOL 016
(Policy Library Code A0235)

From version 6.0 of TRPOL 016 onwards the master version of this policy will be held in the GHNHSFT Policy Library.

Revisions to this policy will continue to be instigated and carried out by the Blood Transfusion Department in conjunction with the Hospital Transfusion Team and Hospital Transfusion Committee and then authorised by the Trust Policy Approval Group.

Change control is recorded on each revised version

All superseded versions will be retained in the GNHSFT policy library archives.

The current version of the policy can be viewed on the intranet via the Policy Library homepage and can be searched for by name, **Blood Transfusion, or code A0235.**

Archived versions from 6.0 onwards can be accessed by contacting the administrator for the Trust Policy Approval Group.

Archive versions prior to version 6.0 can be accessed on Ideagen Quality Workbench

(**Note:** this one page document has been changed from User Ref TRPOL 016 to TRPOL 016 NOTE, from version 6.0. The issue number on this note document does not need to stay in sync with the version number of the TRPOL 016 on the Intranet pages.)
